

Second announcement

II Reunião Argentino-Brasileira de Gravitação, Astrofísica e Cosmologia II Reunión Argentino-Brasileña de Gravitación, Astrofísica y Cosmología Buenos Aires, Argentina, 22-25/4/2014

We are pleased to provide you with some information about the II Argentine-Brazilian Meeting on Gravitation, Astrophysics and Cosmology, to be held in Buenos Aires, Argentina, from April 22 to 25, 2014.

Venue

The meeting will be held at the Auditorium of Fundación Cassará, Avenida de Mayo 1190, Buenos Aires. This quaint old building is located at the very center of Buenos Aires, at walking distance from the historical Plaza de Mayo, the National Congress, the Colón Theater, and some of the most famous streets of the city such as 9 de Julio and Corrientes Avenues and Florida street.

Important dates

We would like to inform you that we have extended the **deadlines for registration, abstract submission and early fee payment until December 31st, 2013. The deadline to apply for financial support has been extended until December 15th, 2013.**

Registration

Registration must be done from our webpage: <http://graco2.iar-conicet.gov.ar/registration.php>. The registration fee for researchers is USD 100 (payment before December 31st, 2013) or USD 150 (after December 31st, 2013). For students, the fee is USD 50. Instructions for payment are given in the webpage.

Contributions

The list of invited speakers is available at the website of the conference: <http://graco2.iar-conicet.gov.ar>. The instructions for sending your contribution are available at the same website. The deadline for abstract submission is December 31st, 2013. Contributed talks will be given 15 minutes, plus 5 minutes for questions. The maximum size of posters is 1.00 m (width) by 1.20 m (height).

Contact

More information on the meeting is available at the conference website: <http://graco2.iar-conicet.gov.ar>, or through our e-mail address: graco2@iar.unlp.edu.ar.

We look forward to meeting you in Buenos Aires.
